## NELSON/FELLER TENNIS CAMP...

### *The Personal Touch*

If you're looking for something different in a tennis camp, then we might just have what you want. NFTC has a smaller enrollment, thus affording more personal attention in a more relaxed, nurturing atmosphere. Our "family style" atmosphere mixed with top quality instruction and tons of off court fun make NFTC a unique camping experience. From the tournament player to the beginner, there's a little something for everyone at NFTC. Our August session presents a golden opportunity for high school players to "tune up" just before the start of their fall season.
